

SANJEEWA RUPASINGHE

ABOUT ME

I consider myself responsible and creative. I accept with pleasure the challenges and goals that your organization could assign to me, and the ability to work in teams so as to solve problems efficiently and achieve the goals set by the company and my workgroup. I am interested in working with Java and the Spring Boot framework and have good knowledge of them. Currently, I hope to get an internship in my degree program, and I also want to develop my career path from industrial training.
